The image shows a web browser window titled "A Web Page". The address bar contains "https://". The page has a header with a "LOGO" placeholder and links for "Login" and "Register". The main content area features a "New User Registration" form with four input fields: "Username", "E-mail", "Phone number", and "Password". Below these fields is a "Sign Up" button. At the bottom of the form, there is a link "Login here" for users who already have an account. The browser window has standard navigation buttons (back, forward, stop, home) and a search icon.

The image is a wireframe of a user login page. It features a browser window at the top with navigation icons and a search bar. Below the browser is a header with a logo and links for 'Login' and 'Register'. The main content area contains a 'User Login' form with fields for 'E-mail or Username' and 'Password', and a 'Login' button. At the bottom of the form, there is a link for users who need an account to 'Register here'. The entire page is enclosed in a grey border representing the browser window.
